

## Tool 6: PEEC Evidence Summary

---

This tool is to be used summarize evidence collected in all three phases of PEEC.

### Directions

Complete the table below by transferring the data from each of the three Phases of PEEC.

	Phase 1	Phase 2	Phase 3
Innovation	Prescreen	Unit Evaluation (EQulP summary)	Program Level Evaluation
Making Sense of Phenomena & Designing Solutions to Problems	Shows Promise? <input type="checkbox"/>	<input type="checkbox"/> Materials incorporate the innovation.  <input type="checkbox"/> Materials partially incorporate the innovation.  <input type="checkbox"/> Materials do not incorporate the innovation.	<input type="checkbox"/> Materials incorporate the innovation.  <input type="checkbox"/> Materials partially incorporate the innovation.  <input type="checkbox"/> Materials do not incorporate the innovation.

Innovation	Phase 1	Phase 2	Phase 3
	Prescreen	Unit Evaluation (EQuIP summary)	Program Level Evaluation
Three-Dimensional Learning	Shows Promise? <input type="checkbox"/>	<input checked="" type="checkbox"/> Materials incorporate the innovation. <input type="checkbox"/> Materials partially incorporate the innovation. <input type="checkbox"/> Materials do not incorporate the innovation.	<input type="checkbox"/> Materials incorporate the innovation. <input type="checkbox"/> Materials partially incorporate the innovation. <input type="checkbox"/> Materials do not incorporate the innovation.
Building K–12 Progressions	n/a	<input type="checkbox"/> Materials incorporate the innovation. <input type="checkbox"/> Materials partially incorporate the innovation. <input type="checkbox"/> Materials do not incorporate the innovation.	<input type="checkbox"/> Materials incorporate the innovation. <input type="checkbox"/> Materials partially incorporate the innovation. <input type="checkbox"/> Materials do not incorporate the innovation.

Innovation	Phase 1	Phase 2	Phase 3
	Prescreen	Unit Evaluation (EQuIP summary)	Program Level Evaluation
Alignment with English language arts and Mathematics	n/a	<input type="checkbox"/> Materials incorporate the innovation. <input type="checkbox"/> Materials partially incorporate the innovation. <input type="checkbox"/> Materials do not incorporate the innovation.	<input type="checkbox"/> Materials incorporate the innovation. <input type="checkbox"/> Materials partially incorporate the innovation. <input type="checkbox"/> Materials do not incorporate the innovation.
All Standards, All Students	n/a	<input type="checkbox"/> Materials incorporate the innovation. <input type="checkbox"/> Materials partially incorporate the innovation. <input type="checkbox"/> Materials do not incorporate the innovation.	<input type="checkbox"/> Materials incorporate the innovation. <input type="checkbox"/> Materials partially incorporate the innovation. <input type="checkbox"/> Materials do not incorporate the innovation.
